

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. If a discrepancy exists between this SBC and the [plan](#) provisions, the [plan](#) provisions govern.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, view the Summary Plan Description (SPD) at [my.aa.com](http://my.aa.com) or contact us at 1-888-860-6178. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$850/Individual \$2,550/Family	Except for <a href="#">preventive services</a> and <a href="#">copayments</a> , each member must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each member's <a href="#">deductible</a> applies toward the family <a href="#">deductible</a> . Once the family <a href="#">deductible</a> is met, the <a href="#">plan</a> will begin to pay for those members who have not reached their individual <a href="#">deductibles</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	YES	This <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . Covered <a href="#">preventive services</a> are listed at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . In-network <a href="#">preventive care</a> / <a href="#">prescriptions</a> are not subject to <a href="#">deductible</a> / <a href="#">coinsurance</a> . Out-of-network <a href="#">preventive care</a> / <a href="#">prescriptions</a> are subject to <a href="#">deductible</a> / <a href="#">coinsurance</a> .
Are there other <a href="#">deductibles</a> for specific services?	NO	There are no other <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$2,850/Individual \$7,550/Family (includes <a href="#">deductible</a> )	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. <a href="#">Deductible</a> , <a href="#">copayment</a> , and <a href="#">coinsurance</a> amounts DO count toward your <a href="#">out-of-pocket limit</a> . In families of 3 or more members, if family <a href="#">out-of-pocket limit</a> is met cumulatively, expenses are payable at 100% for all family members even if the individual <a href="#">out-of-pocket limits</a> haven't been met by each member.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Contributions, <a href="#">balance billing</a> charges, precertification failure penalties, or health care this <a href="#">plan</a> will not cover	Even though you pay for these expenses, they DO NOT count toward your <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	YES	If you are enrolled in OUT-OF-AREA coverage, it is because there are either not enough <a href="#">network providers</a> , or there are no <a href="#">network providers</a> where you reside. However, there may be instances in which you receive services from a <a href="#">network provider</a> . For further information, consult the SPD. You can access <a href="#">in-network provider</a> listings by visiting <a href="http://my.aa.com">my.aa.com</a> and click on your respective network/claim administrator, or call 1-800-955-8095 (United Healthcare).
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	NO	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
