What is the overall	\$400/Individual	\$1,550/Individual	Except for <u>preventive services</u> and <u>copayments</u> , each member must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> ,	
deductible?	\$1,200/Family	\$4,650/Family	each member's <u>deductible</u> applies toward the family <u>deductible</u> . Once the family <u>deductible</u> is met, the <u>plan</u> will begin to pay for those members who have not reached their individual <u>deductibles</u> .	
Are there services covered before you meet your deductible?	YES	YES	This <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . Covered <u>preventive services</u> are listed at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.</a>	
Are there other <u>deductibles</u> for specific services?	NO	NO	There are no other <u>deductibles</u> for specific services.

In families of 3 or more members, if family <u>out-of-pocket limit</u> is met cumulatively, expenses are payable at 100% for all family members even if the individual <u>out-of-pocket limits</u> haven't been met by each member.	
What is not included in the out-of-pocket limit?	Contributions, balance precertification failure pthis plan will not cover	e billing charges,	Even though you pay for these expenses, they DO NOT count toward your <u>out-of-pocket limit</u> .

You will pay the most if you use an <u>out-of-network provider</u> , as you may receive a bill from the <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). You can access <u>in-network provider</u> listings by visiting <u>my.aa.com</u> and click on your respective network/claim administrator, or call 1-877-235-9258 (Blue Cross Blue Shield of Texas) OR 1-800-955-8095 (United Healthcare).

## **About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, co-payments and co-insurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
