At Last! A Benefits Navigator to Help You.

In 2019, navigating your health and benefits will become easier with Accolade. You and your eligible family members can connect with a dedicated Accolade Health Assistant® for help with health or benefits questions, big or small. Your Health Assistant takes the stress out of navigating your benefits by:

Helping you find in-network doctors and providers

Identifying ways to help you save money on health care expenses

Answering questions and resolving issues with your health care bills

Your Health Assistant can answer questions like:

- Will this procedure be covered?
- Why was I billed for this test?
- I was just diagnosed with diabetes, what should I do next?
- What questions should I ask my doctor?
- What other American benefit programs might be helpful in my situation?

Personalized Help

Your Health Assistant will take the time to get to know you and understand your needs, while partnering with a team of doctors, nurses and benefits specialists to help support you each step of the way.

Next year Accolade will be the phone number on the back of your medical ID card. You'll be able to connect to your personal Health Assistant by phone, online or on the Accolade mobile app.

Accolade does not practice medicine or provide patient care. It is an independent resource to support and assist you as you use the health care system and receive medical care from your own doctors, nurses and health care professionals. If you have a medical emergency, please contact 911 immediately.

Core Option Enhancements

Deductible Going Down!

We're reducing the **Core** option annual deductible, making this plan even more attractive.

<p>YOU ONLY</p> <p>\$1,500</p> <p>A reduction of \$500</p>	<p>FAMILY</p> <p>\$3,000</p> <p>A reduction of \$1,000</p>

Coverage Offered to Domestic Partners

We're excited to announce beginning in 2019 you'll be able to enroll your eligible same- or opposite-gender domestic partner in the **Core** option, as well as dental and vision coverage. Imputed income may apply in accordance with state and federal laws.

Take a look at The Core!

Administrative Changes

UMR Will Be Processing Claims for UHC States

Beginning January 1, claims for UnitedHealthcare (UHC) members will be processed by UMR, a UnitedHealthcare company. Services covered under the medical options and your provider network will not change.

This means you'll have a new web portal to access claims information going forward, and a new group and member ID number. You should receive your new ID cards in December. If you're currently a UHC member, you'll receive more information by mail.

New Tool to Help You Choose!

When you go online to the Benefits Service Center to enroll, you will be asked a few questions about your health care usage. The system will then make a recommendation to help you choose the best medical option for you.

Which option is best for you? ↑

Who is Eligible

As a U.S.-based team member, you are eligible for a wide array of benefits. You may also enroll your eligible dependents, including your:

- Spouse.
- Dependent children up to age 26, or to any age if considered a disabled dependent.¹
- For **Core** option coverage, as well as dental, vision, life and accident insurance, you may enroll your eligible domestic partner and domestic partner's children up to age 26, or to any age if considered a disabled dependent.¹

You will be asked to provide documentation for any newly enrolled dependents before their coverage will begin.

Are You Married to Another American Team Member?

You can enroll in medical, dental and vision coverage separately or as a dependent. Be sure to compare costs — you may save more if you enroll separately. If you're already covered under your American spouse's coverage, you need to waive dependent coverage before you can enroll for yourself.

6 Reasons to Consider the Core with HSA

Don't forget

The voluntary benefits described starting on **page 25** can help you pay for unexpected expenses.

1

Lowest paycheck deductions

The **Core** option offers low monthly deductions from your paycheck. For example, for You only full-time team member coverage, the **Core** option deductions are 72% less than **PPO 100** and 35% less than **PPO 90**.

2

New, lower annual deductible

The deductible is being reduced for 2019. The new deductible is \$1,500 for You only coverage and \$3,000 for any other level of coverage.

3

The advance feature

You can access up to **\$1,000** (\$2,000 for a family) of your HSA goal amount to pay expenses starting January 1. That means you can worry less about having a major expense before your account is built up.

4

Your HSA dollars are yours forever

You never lose the money in your HSA. The funds roll over each year, and you can continue to use them for eligible expenses even if you leave American or retire.

5

In most cases, you won't pay taxes on your HSA money, including earnings

That makes the HSA a smart choice for saving for health care expenses now and in the future.

6

An HSA can help you save to pay health care expenses in retirement

A 65-year-old couple retiring in 2018 may need **\$280,000¹** saved (after taxes) to cover health care expenses in retirement.

¹ According to the Fidelity Retiree Health Care Cost Estimate. The amount will vary based on the couple's situation.

How Wellness Rewards Pay Off

Wellness Rewards go into a Health Savings Account (HSA) or Health Reimbursement Account (HRA), depending on your medical option:

- If you're in the **Core** option, you must open your HSA (if it's not already open) before your rewards can be added.
- If you're in the **PPO 80/90/100** option, your HRA will be opened (or funded if it's already open) when you earn your rewards.

You can use the money in your account for eligible medical, prescription drug, dental and vision expenses.

¹ Your domestic partner will be eligible in 2019, if enrolled in the Core option.

Tax Savings

American offers more opportunities to reduce taxes on your earnings.

Dependent Care FSA

You can avoid taxes on money you set aside for eligible expenses, up to:

- **\$5,000** per calendar year on a pre-tax basis if you are single or married and filing your tax returns jointly, or
- **\$2,500** per calendar year if you are married and filing separately.

Money in your Dependent Care FSA can only be spent on expenses necessary for you and your spouse to work or go to school full time. You can use your Dependent Care FSA **for dependents under age 13** who you claim on your federal tax return (or for whom you are the custodial parent, if divorced) and/or a **spouse or dependent who is physically or mentally incapable of self-care** and lives in your home for more than half the year. For complete details, see IRS Publication **503**.

You may only be reimbursed up to the amount currently in your account at the time. If you leave American, you can submit claims for eligible expenses incurred through the last day of your employment. This account is administered by Alight YSA.

Budget carefully! You lose any amount you don't use by March 15, 2020!

Submitting claims

Submit Dependent Care FSA claims on the **YSA website** or the Reimburse Me app through your iOS or Android device. Download the app free from the Apple or Google Play Store.

Transit Program

You can buy monthly commuter passes for bus and rail travel to and from work on a pre-tax basis. Participating in the Transit program not only saves you money by lowering your taxable income, it helps the environment and buys you some 'me' time for a little nap or to listen to music or catch up on your reading.

The Transit Program is administered by Alight YSA. Go to the **Benefits Service Center** and click on the "Transit Program" tile from the main page. Once there, click on "Let's Get Started" to order your Transit Products. With YSA, you can manage or change orders on an ongoing basis – all online.

Life and AD&D Insurance

American provides Basic Life and Accidental Death & Dismemberment (AD&D) insurance coverage to eligible team members. You can also purchase Voluntary Life and AD&D insurance for yourself and your dependents. Disability Insurance

American's disability insurance coverage replaces a portion of your income if you are unable to work for an extended period of time. If you elect new or increased coverage, you will be required to provide a statement of health (SOH). New or increased coverage will be effective when your SOH is approved by MetLife.

Note:

Coverages and premiums for salary-based benefits, such as disability and life insurance, are subject to change throughout the year based on changes to your benefits salary, seniority and/or age. If you wish to decrease or cancel your coverage due to an increase in premiums, please contact the Benefits Service Center.

Added Benefits

You can choose from a wide variety of voluntary benefits at great group rates available to large employers like American.

Choose the options you need to fill in any gaps you may worry about. Voluntary benefit elections roll over from year to year. Once you're enrolled, you'll keep this coverage until you cancel it.

Careington Dental Discount Program

This program is not insurance; it provides access to discounted fees at contracted dental offices across the country. You can enroll in the Dental Discount Program whether or not you enroll in the MetLife dental coverage described on [page 17](#). If you think you will have expenses over the maximum annual amount or expenses not covered by your dental plan, you may want to consider both. Check the list of Careington participating providers before enrolling.

- The program offers **20% to 60%** discounts on the reasonable and customary cost of most dental procedures, ranging from routine oral exams to major work such as dentures, root canals and crowns, including cosmetic dentistry.
- You may use any of the **66,000+** participating dentists nationwide (about **30%** of MetLife network dentists currently participate).
- You can enroll in and drop the Dental Discount Program as needed throughout the year.

You pay your membership fees through payroll deduction. The list of participating providers and pre-set fees for services, as well as monthly costs, are available at [AAaddedbenefits.com](https://www.aadddbenefits.com).

Accident Insurance

Accidents can happen anytime, and while you can't plan for them, you can be better prepared financially to handle them. The Hartford Accident Insurance provides a lump-sum payment to use as you wish if you experience a covered accident, such as a:

Summary of Benefits and Coverage

American Airlines is required to provide you the Summary of Benefits and Coverage (SBC) and the Uniform Glossary (UG). We've created a separate SBC for each of the self-funded medical benefit options that will become effective on January 1, 2019, and the UG applies to all of these options. You can use the SBCs and the UG as quick references for what benefits are available in each option and an explanation of terms used in benefit plans.

Access the SBCs and UG. You can also obtain paper copies of the SBCs and UG free of charge by calling the Benefits Service Center at **888-860-6178**.

Grandfathered Plan Status

The US Airways, Inc. Health Benefit Plan is comprised of the following medical plans: PPO 80/60, PPO 90/70, PPO 100/80, OOA 80, OOA 90, OOA 100 and Kaiser Permanente HMO. For purposes of this notice, the term "Plan" refers to all medical plan options listed above, except the Kaiser Permanente HMO.

The Plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a

grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that the Plan is not required to include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan, and what might cause a plan to change from grandfathered health plan status can be directed to **888-860-6178**.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at **866-444-3272** or dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.
