

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. If a discrepancy exists between this SBC and the [plan](#) provisions, the [plan](#) provisions govern.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$225/Individual \$450/Family	You must pay all of the costs from providers up to the deductible amount before this plan begins to pay for covered services. Copayments do not apply toward the deductible .
Are there services covered before you meet your deductible ?	YES	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers Doctor on Demand Telehealth visits, prescription drugs and home health care before you meet your deductible .
Are there other deductibles for specific services?	NO	You don't have to meet any other deductible for specific services.
What is the out-of-pocket limit for this plan ?	\$225/Individual \$450/Family	The out-of-pocket limit is the most you could pay in a year for covered services. The out-of-pocket limit includes the deductible and coinsurance , but it does not include copayments .
What is not included in the out-of-pocket limit ?	Contributions, copayments for certain services, balance-billing charges, penalties for non-compliance, and excluded expenses this plan does not cover	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	NO	The chart starting on page 2 describes any limits on what the plan will pay for specific covered services, such as office visits.
Do you need a referral to see a specialist ?	YES	The plan treats providers the same in determining payment for the same services. You may receive a bill from the provider for the difference between the provider's charge and what your plan pays (balance billing) based on usual, reasonable and customary charges. For prescription drugs you have the choice of using in-network or out-of-network providers. You can access network provider listings by visiting my.aa.com and click on your respective network/claim administrator, or call 1-877-235-9258 (Blue Cross Blue Shield of Texas) OR 1-800-826-9781 (UMR).
What is the overall deductible ?	NO	You can see the specialist you choose without permission from this plan .
