

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. If a discrepancy exists between this SBC and the [plan](#) provisions, the [plan](#) provisions govern.

This is only a summary. Important Questions	Answers		Why This Matters:
	IN-NETWORK	OUT-OF-NETWORK	
What is the overall <a href="#">deductible</a> ?	\$400/Individual \$1,200/Family	\$1,550/Individual \$4,650/Family	Except for <a href="#">preventive services</a> and <a href="#">copayments</a> , each member must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each member's <a href="#">deductible</a> applies toward the family <a href="#">deductible</a> . Once the family <a href="#">deductible</a> is met, the <a href="#">plan</a> will begin to pay for those members who have not reached their individual <a href="#">deductibles</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	YES	YES	This <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . Covered <a href="#">preventive services</a> are listed at <a href="#">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . <a href="#">In-network preventive care</a> / <a href="#">prescriptions</a> are not subject to <a href="#">deductible</a> / <a href="#">coinsurance</a> . <a href="#">Out-of-network preventive care</a> and <a href="#">prescriptions</a> are subject to <a href="#">deductible</a> / <a href="#">coinsurance</a> .
Are there other <a href="#">deductibles</a> for specific services?	NO	NO	There are no other <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$2,400/Individual \$6,200/Family (includes <a href="#">deductible</a> )	\$7,550/Individual \$19,650/Family (includes <a href="#">deductible</a> )	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. <a href="#">Deductible</a> , <a href="#">copayment</a> , and <a href="#">coinsurance</a> amounts DO count toward your <a href="#">out-of-pocket limit</a> . In families of 3 or more members, if family <a href="#">out-of-pocket limit</a> is met cumulatively, expenses are payable at 100% for all family members even if the individual <a href="#">out-of-pocket limits</a> haven't been met by each member.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Contributions</a> , <a href="#">balance-billing</a> charges, penalties for non-compliance, and excluded expenses this <a href="#">plan</a> does not cover.		Even though you pay for these expenses, they DO NOT count toward your <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	YES		This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , as you may receive a bill from the <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). You can access <a href="#">in-network provider</a> listings by visiting <a href="#">my.aa.com</a> and click on your respective network/claim administrator, or call 1-877-235-9258 (Blue Cross Blue Shield of Texas) OR 1-800-826-9781 (UMR).
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	NO		You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
