Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$225/Individual \$450/Family	You must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay for covered services. <u>Copayments</u> do not apply toward the <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	YES	This <u>plan</u> covers some items and services even if you have not yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers Doctor on Demand Telehealth visits, prescription drugs and <u>home health care</u> before you meet your <u>deductible</u> .
Are there other <u>deductibles</u> for specific services?	NO	You don't have to meet any other <u>deductible</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$1,500/Individual \$3,000/Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. The <u>out-of-pocket limit</u> includes the <u>deductible</u> and <u>coinsurance</u> , but it does not include <u>copayments</u> .
What is not included in the <u>out-of-pocket limit</u> ?	Contributions, <u>copayments</u> for certain services, <u>balance-billing</u> charges, penalties for non-compliance, and excluded expenses this <u>plan</u> does not cover	Even though you pay these expenses, they do not count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	YES	The <u>plan</u> treats <u>providers</u> the same in determining payment for the same services. You may receive a bill from the <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ) based on <u>usual, reasonable and customary charges</u> . For <u>prescription drugs</u> you have the choice of using <u>in-network</u> or <u>out-of-network providers</u> . You can access <u>network provider listings</u> by visiting <a href="http://my.aa.com">my.aa.com</a> and click on your respective network/claim administrator, or call 1-877-235-9258 (Blue Cross Blue Shield of Texas) OR 1-800-826-9781 (UMR).
Do you need a <u>referral</u> to see a <u>specialist</u> ?	NO	You can see the <u>specialist</u> you choose without permission from this <u>plan</u> .
