Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	<b>\$850/Individual</b> <b>\$2,550/Family</b>	Except for <u>preventive services</u> and <u>copayments</u> , each member must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each member's <u>deductible</u> applies toward the family <u>deductible</u> . Once the family <u>deductible</u> is met, the <u>plan</u> will begin to pay for those members who have not reached their individual <u>deductibles</u> .
<b>Are there services covered before you meet your deductible?</b>	YES	This <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . Covered <u>preventive services</u> are listed at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . <u>Preventive care</u> , <u>prescriptions</u> and outpatient behavioral health / substance abuse are not subject to <u>deductible</u> / <u>coinsurance</u> .
<b>Are there other deductibles for specific services?</b>	NO	There are no other <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	<b>\$2,850/Individual</b> <b>\$7,550/Family</b>  (includes <u>deductible</u> )	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. <u>Deductible</u> , <u>copayment</u> , and <u>coinsurance</u> amounts DO count toward your <u>out-of-pocket limit</u> . In families of 3 or more members, if family <u>out-of-pocket limit</u> is met cumulatively, expenses are payable at 100% for all family members even if the individual <u>out-of-pocket limits</u> haven't been met by each member.
<b>What is not included in the out-of-pocket limit?</b>	<u>Contributions</u> , <u>balance-billing</u> charges, penalties for non-compliance, and excluded expenses this <u>plan</u> does not cover.	Even though you pay for these expenses, they DO NOT count toward your <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	YES	If you are enrolled in OUT-OF-AREA coverage, it is because either there are not enough <u>network providers</u> , or there are no <u>network providers</u> where you reside. However, there may be instances in which you receive services from a <u>network provider</u> . <u>Network providers</u> are limited to what they can charge you for their services. For further information, consult the SPD. You can access <u>network provider</u> listings by visiting <a href="http://my.aa.com">my.aa.com</a> and click on your respective network/claim administrator, or call 1-877-235-9258 (Blue Cross Blue Shield of Texas) OR 1-800-826-9781 (UMR).
<b>Do you need a referral to see a specialist?</b>	NO	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
