

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-833-346-3929 or at [www.bcbs.tx.com](http://www.bcbs.tx.com). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	\$225 Individual / \$450 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. <u>prescription drugs</u> , <u>diagnostic test</u> , <u>home health</u> , and <u>hospice</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	\$1,500 Individual / \$3,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>copayments</u> , <u>balance-billing charges</u> , <u>preauthorization</u> penalties, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Not Applicable.	This <u>plan</u> does not use a <u>provider network</u> . You receive covered services from any provider.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
